ORDER

IT IS HEREBY ORDERED that there will be a quarterly status hearing on **Monday, March 20, 2023 at 10:00 a.m. in Courtroom 16-South** to provide the parties and the Monitor with an opportunity to update the Court on the status of implementation of the Consent Decree. **This will be an in-person hearing unless conditions related to the COVID pandemic require changing it to a telephone hearing. All parties and interested persons should check the court docket and/or the court website to see if an amended order was entered changing the hearing to telephone.** Assuming it remains an in-person hearing, the hearing will be held in open court and the public is welcome to attend, but only the parties and the Monitor will make presentations or comments at the hearing.

To afford the public the opportunity to be heard, the Court will permit members of the public to submit written statements in advance of the hearing. Any person

wishing to provide written comments regarding the status of the implementation of the Consent Decree may do so by sending a written submission of **no more than five pages** to the Monitor at Fergusonmonitor@hoganlovells.com **between March 17, 2023 and 5 p.m. on March 19, 2023. Persons making written submissions must include their full names. No telephone calls, anonymous submissions, or submissions that do not comply with these requirements will be considered.** The written statements will not be docketed in the Court file, placed on the Court's website for this case, or otherwise read into the record of proceedings at this status hearing. However, the Monitor will forward all timely submissions to the parties and the Court for review and consideration before the hearing, and the parties, the Monitor, and/or the Court may address particular submissions at the hearing as deemed appropriate.

In addition, the public will be able to listen to the hearing on the court's YouTube channel. Members of the public may access the court's YouTube channel at <https://www.youtube.com/c/USCourtsMOED>. Pursuant to E.D. Mo. L.R. 13.02, all means of photographing, recording, broadcasting, and televising this hearing are prohibited. Accordingly, audio of the proceeding, in full or in part, may not be recorded, broadcasted, or televised.
