Leadership is a choice and the first person you must lead is yourself

“personal and professional discipline”

**Lead
with your
heart and mind**

***“relationships matter”
“put faces on the data”***

Success is a team sport

*“building allies,
educating and
respecting others,
collaborating, and
contributing”*

**Diversity—
the courage
to think
differently**

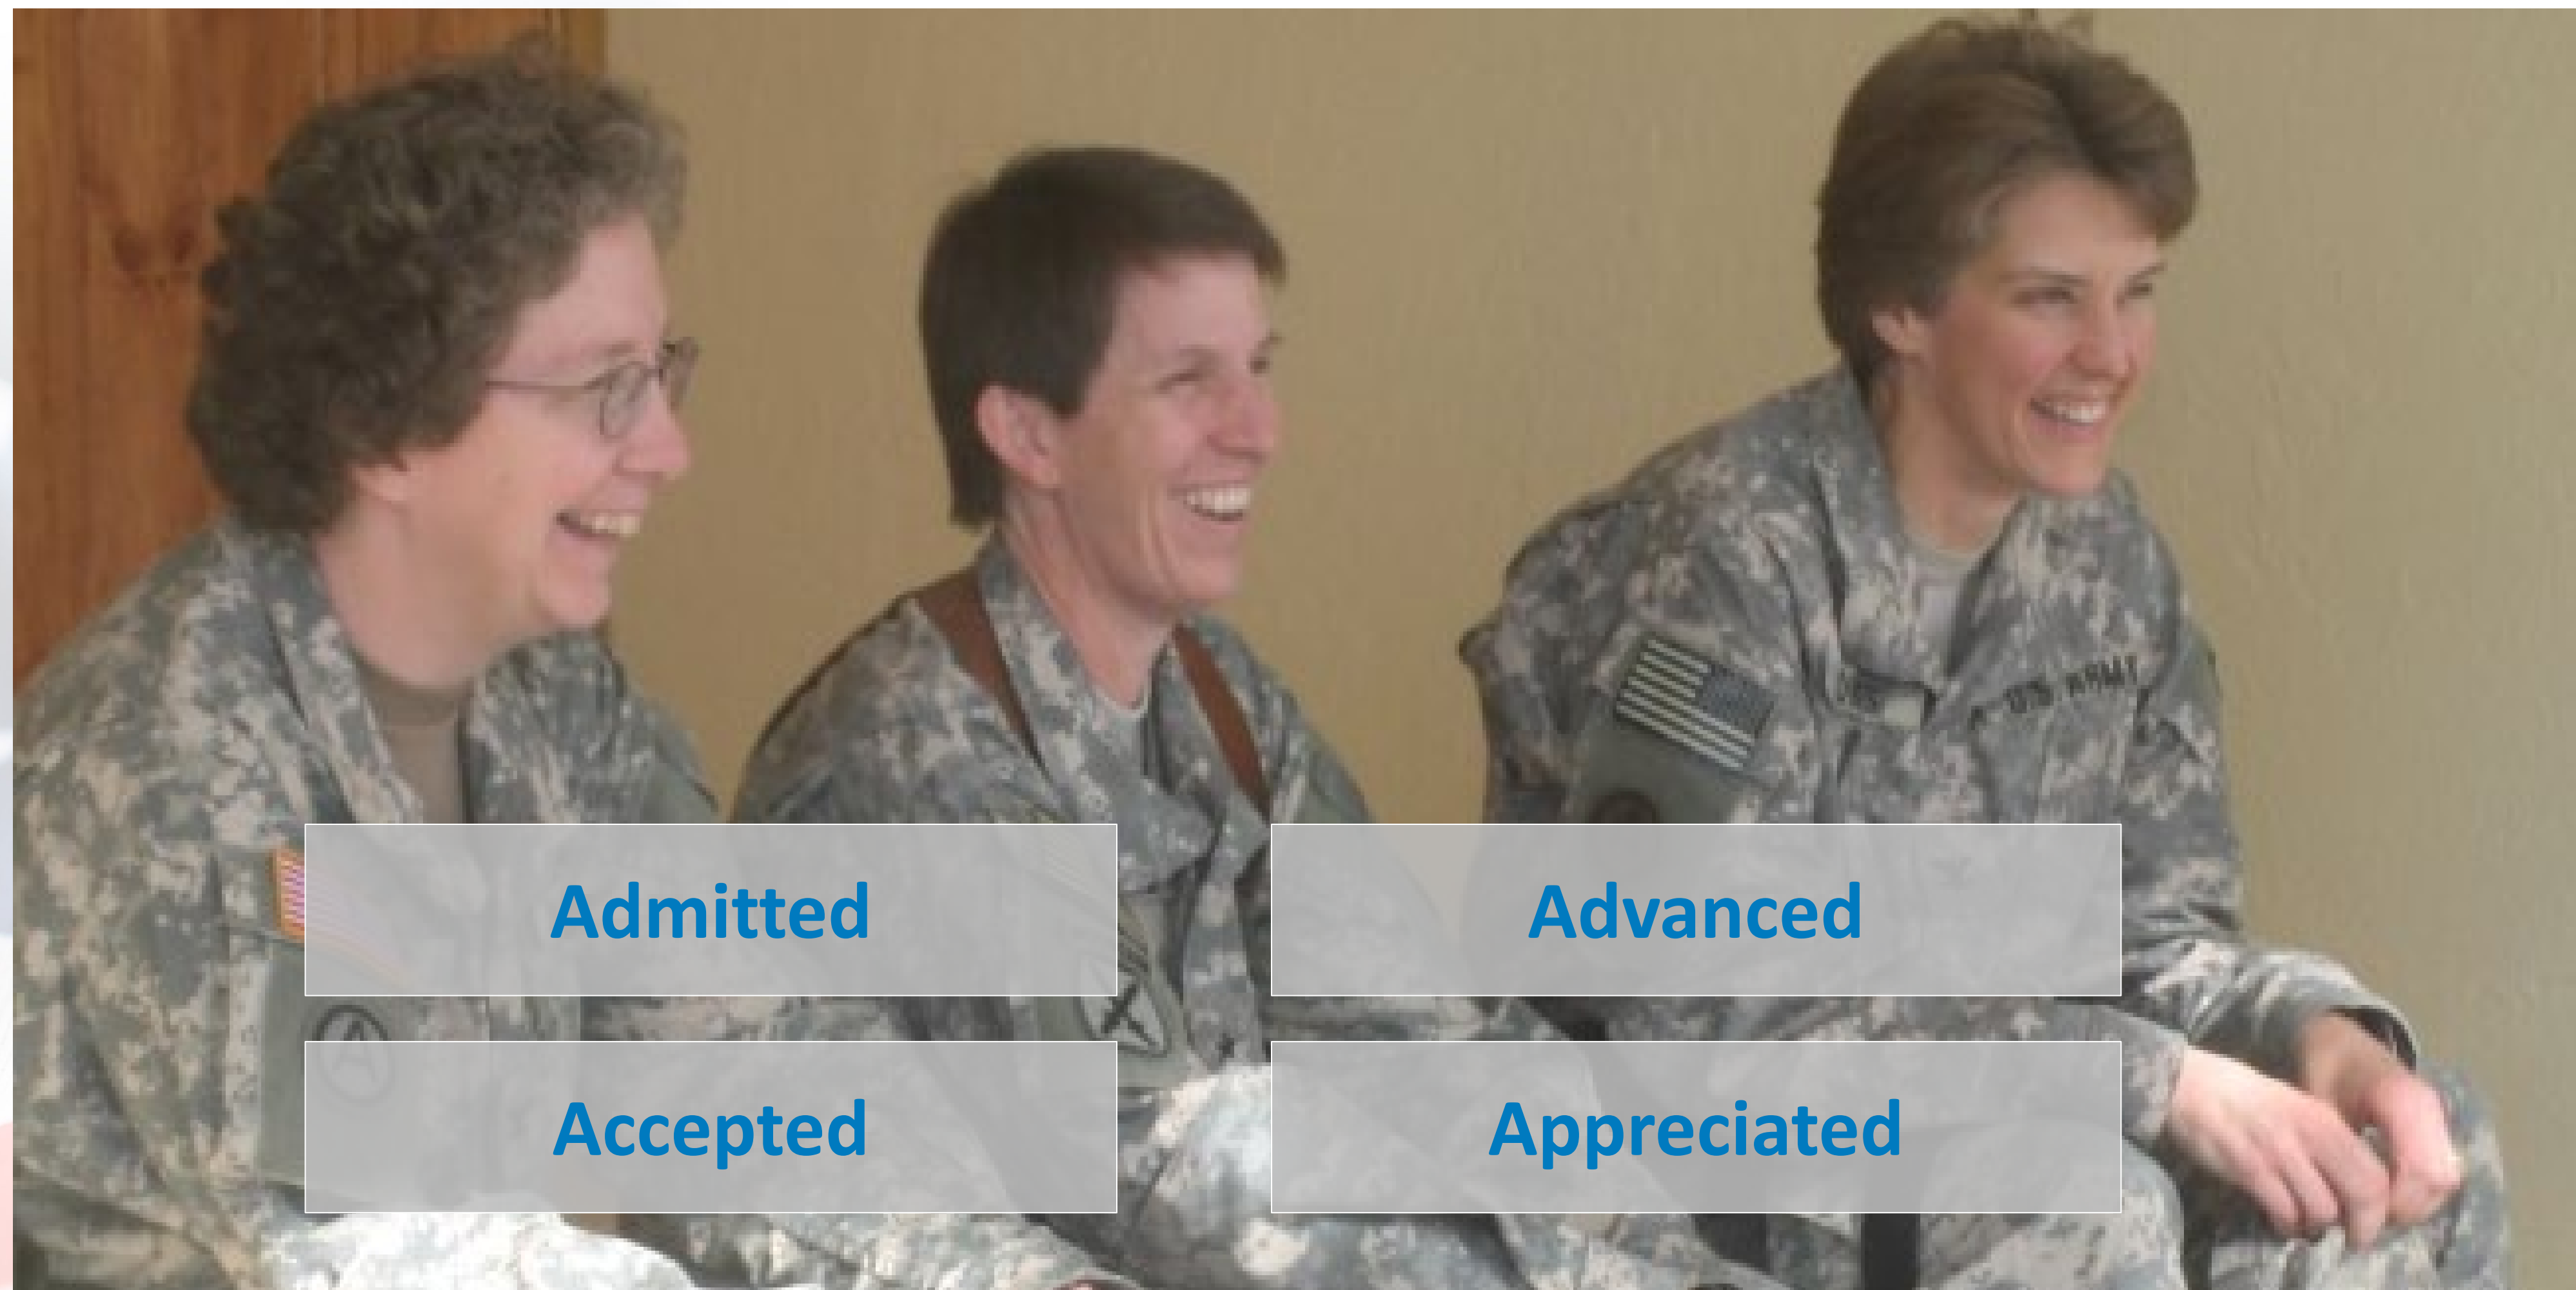

***“take the fear
out of inclusion”***

Attitude

“be the calm in the chaos, and have a good to great mentality”
